

SMARTPLAY INTERNATIONAL SUPPLIES NEW EQUIPMENT TO GEORGIA STATE LOTTERY

(Edgewater Park, NJ) November 11, 2010 – In August of this year, The Georgia Lottery launched the new Georgia FIVE game. In preparation of the August launch, Smartplay International delivered two custom designed *Multidigit Gem 5* draw machines. The new daily game offers players 15 ways to win prizes up to \$10,000 by picking five numbers from zero to nine.

Georgia selected two *Multidigit Gem 5* air-mix draw machines. The equipment has a brushed aluminum base and a translucent chamber with bright lighting.

“We’re proud to be associated with the Georgia Lottery. They have a fantastic record of funding education in their state,” said Smartplay Vice President Tom Markert after the installation of Georgia’s equipment in June.

Established in 1993, Smartplay is dedicated to the creative design, development and manufacture of lottery drawing equipment. The product line has evolved over the years in response to clients’ needs by incorporating the latest technology. Smartplay has thereby maintained a position as international leader in the area of lottery drawing machines and customized game show equipment. Smartplay is consistently chosen above other manufacturers due to a reputation for quality and reliability. Smartplay is proud to be the choice of the world’s most prestigious lotteries.

Since its first year, the Georgia Lottery Corp. has returned more than \$12.1 billion to the state of Georgia for education. All Georgia Lottery profits go to pay for specific educational programs, including Georgia’s HOPE Scholarship Program and Georgia’s Pre-K Program. More than 1.25 million students have received HOPE, and more than 1 million 4-year-olds have attended the statewide, voluntary prekindergarten program.
